

APPENDIX 3

Photographs in Species Accounts

- Fulvous Whistling-Duck: Captives at Sea World (A. Mercieca).
Greater White-fronted Goose: Fall migrants at sod farm in the Tijuana River valley, 2002 (A. Mercieca).
Snow Goose: Wintering flock at the south end of the Salton Sea, Imperial Co. (A. Mercieca).
Ross's Goose: On San Diego Bay shore at Chula Vista (A. Mercieca).
Brant: On San Diego Bay shore at Chula Vista (A. Mercieca).
Canada Goose: Captive at Sea World (A. Mercieca).
Tundra Swan: Captive at Sea World (A. Mercieca).
Wood Duck: Male at Santee Lakes (A. Mercieca).
Gadwall: Male at El Cajon (A. Mercieca).
Eurasian Wigeon: Captive male at Sea World (K. W. Fink).
American Wigeon: Male at Wild Animal Park (A. Mercieca).
Mallard: Female with ducklings at Santee Lakes (A. Mercieca).
Blue-winged Teal: Male at Famosa Slough (A. Mercieca).
Cinnamon Teal: Pair at Wild Animal Park (A. Mercieca).
Northern Shoveler: Male at Santee Lakes (A. Mercieca).
Northern Pintail: Male at Wild Animal Park (A. Mercieca).
Green-winged Teal: Male at Wild Animal Park (A. Mercieca).
Canvasback: Male at San Diego Zoo (A. Mercieca).
Redhead: Male at Mission Bay (A. Mercieca).
Ring-necked Duck: Male at Wild Animal Park (A. Mercieca).
Tufted Duck: Male at Miramar Lake, 1992 (A. Mercieca).
Greater Scaup: Male in Alaska (A. Mercieca).
Lesser Scaup: Male at Wild Animal Park (A. Mercieca).
King Eider: Adult male at Imperial Beach, December 1982 (M. B. Stowe).
Harlequin Duck: Male at Mission Bay (A. Mercieca).
Surf Scoter: Male in San Diego Bay at Chula Vista (A. Mercieca).
White-winged Scoter: Captive female at Sea World (A. Mercieca).
Black Scoter: Female at Salton Sea, Imperial County (K. Z. Kurland).
Long-tailed Duck: Immature at south San Diego Bay (A. Mercieca).
Bufflehead: Male at San Diego Zoo (A. Mercieca).
Common Goldeneye: Captive female at Sea World (A. Mercieca).
Barrow's Goldeneye: Captive female at Sea World (A. Mercieca).
Hooded Merganser: Pair at Wild Animal Park (A. Mercieca).
Common Merganser: Captive female at Sea World (A. Mercieca).
Red-breasted Merganser: Female or immature in Tijuana River estuary (A. Mercieca).
Ruddy Duck: At San Diego Wild Animal Park (A. Mercieca).
Ring-necked Pheasant: Captive male at San Diego Zoo (A. Mercieca).
Wild Turkey: Captive male at Arizona-Sonora Desert Museum (A. Mercieca).
Mountain Quail: Adult at Idyllwild, Riverside County, April 2002 (J. C. Daynes).
California Quail: Male at Lakeside (A. Mercieca).
Gambel's Quail: Male near Tucson, Arizona (A. Mercieca).
Red-throated Loon: Winter-plumaged bird at Mission Bay (A. Mercieca).
Pacific Loon: Winter-plumaged bird at Mission Bay (A. Mercieca).
Common Loon: Winter-plumaged bird at San Diego Bay (A. Mercieca).
Pied-billed Grebe: Winter-plumaged bird at Mission Bay (A. Mercieca).
Horned Grebe: Winter-plumaged bird at San Diego Bay (A. Mercieca).
Eared Grebe: Winter-plumaged bird at Mission Bay (A. Mercieca).
Western Grebe: Pair at Sweetwater Reservoir (A. Mercieca).
Clark's Grebe: At Sweetwater Reservoir (A. Mercieca).
Laysan Albatross: In eastern tropical Pacific (P. Unitt).
Black-footed Albatross: Near San Clemente Island (R. E. Webster).
Northern Fulmar: Captive at Sea World (K.W. Fink).
Pink-footed Shearwater: Near San Clemente Island (B. L. Sullivan).
Flesh-footed Shearwater: Off Fort Bragg, Mendocino Co., 17 August 2002 (B. L. Sullivan).
Buller's Shearwater: On ocean off California (R. E. Webster).
Short-tailed Shearwater: On ocean off San Diego (R. E. Webster).
Black-vented Shearwater: On ocean off La Jolla, January 2002 (B. L. Sullivan).
Black Storm-Petrel: Flock on ocean off San Diego (M. B. Stowe).
Masked Booby: Subadult at La Jolla, January 2002 (A. Mercieca).
Brown Booby: Subadult at Shelter Island 17 November 1997 (A. Mercieca).
American White Pelican: Flock soaring over Salton Sea, Imperial Co. (A. Mercieca).
Brown Pelican: Adult at La Jolla (A. Mercieca).
Brandt's Cormorant: Adult at La Jolla (A. Mercieca).
Double-crested Cormorant: Adult at La Jolla (A. Mercieca).
Pelagic Cormorant: Adult at La Jolla (A. Mercieca).
Magnificent Frigatebird: Immature over south San Diego Bay (A. Mercieca).
American Bittern: Bird held in captivity for rehabilitation at Sea World (A. Mercieca).
Least Bittern: Adult male at Wild Animal Park, 24 July 2004 (D. Furseth).
Great Blue Heron: Pair at nest at Point Loma submarine base (A. Mercieca).
Great Egret: At Wild Animal Park (A. Mercieca).
Snowy Egret: At Mission Bay (A. Mercieca).
Little Blue Heron: Adult at Mission Bay (A. Mercieca).
Tricolored Heron: At Chula Vista Nature Center (A. Mercieca).
Reddish Egret: At Salton Sea, Imperial Co. (K. Z. Kurland).
Cattle Egret: Adult at Wild Animal Park (A. Mercieca).
Green Heron: Adult at Wild Animal Park (A. Mercieca).
Black-crowned Night-Heron: Adult retaining some immature plumage at Mission Bay (A. Mercieca).
Yellow-crowned Night-Heron: Adult at Sea World, 3 April 1979 (A. Mercieca).
White Ibis: Immature in Florida (A. Mercieca).
White-faced Ibis: Immature at Whelan Lake, December 2002 (J. C. Daynes).
Roseate Spoonbill: Immature in Imperial Co. (K. Z. Kurland).
Wood Stork: Adult at Wild Animal Park (A. Mercieca).
Turkey Vulture: Adult at Ramona (A. Mercieca).
California Condor: Captive pair at Wild Animal Park (A. Mercieca).
Osprey: Over Mission Bay (A. Mercieca).

- White-tailed Kite: Adult and nestlings in Texas (A. Mercieca).
 Mississippi Kite: Adult in Colorado (A. Mercieca).
 Bald Eagle: Captive adult at San Diego Zoo (A. Mercieca).
 Northern Harrier: Adult female and nestlings in Saskatchewan (A. Mercieca).
 Sharp-shinned Hawk: Immature at Chula Vista (A. Mercieca).
 Cooper's Hawk: Adult at Poway, October 2003 (J. C. Daynes).
 Northern Goshawk: Falconer's bird in captivity (A. Mercieca).
 Harris's Hawk: Recently fledged juvenile at Boulevard, 12 July 2000 (A. Mercieca).
 Red-shouldered Hawk: Adult in San Diego (A. Mercieca).
 Broad-winged Hawk: Adult in Costa Rica (A. Mercieca).
 Swainson's Hawk: Light-morph adult in Arizona (A. Mercieca).
 Zone-tailed Hawk: Adult at Oak Hill Cemetery, Escondido (A. Mercieca).
 Red-tailed Hawk: Adult female at nest, Indian Gorge, Anza-Borrego Desert State Park (A. Mercieca).
 Ferruginous Hawk: Injured adult held in captivity for rehabilitation (A. Mercieca).
 Rough-legged Hawk: At Lower Klamath National Wildlife Refuge, Oregon, December 2002 (J. C. Daynes).
 Golden Eagle: Adult and nestlings near Jacumba (A. Mercieca).
 American Kestrel: Male at Lee Vining, Mono Co. (A. Mercieca).
 Merlin: Falconer's bird in captivity (A. Mercieca).
 Peregrine Falcon: Adult at Point Loma (A. Mercieca).
 Prairie Falcon: Pair at nest in Anza-Borrego Desert State Park (A. Mercieca).
 Yellow Rail: Female found moribund in Santee 16 December 1998, now SDNHM 50186 (J. Melli).
 Black Rail: Bird found in Imperial Valley, held for rehabilitation in San Diego, later released back in Imperial Valley (A. Mercieca).
 Clapper Rail: Adult in Tijuana River estuary (A. Mercieca).
 Virginia Rail: Adult at San Elijo Lagoon (A. Mercieca).
 Sora: Adult in Tijuana River estuary (A. Mercieca).
 Common Gallinule: Adult at Wild Animal Park (A. Mercieca).
 American Coot: Adult and chick at Santee Lakes (A. Mercieca).
 Sandhill Crane: At Bosque del Apache National Wildlife Refuge, New Mexico (A. Mercieca).
 Black-bellied Plover: Molting adult at La Jolla (A. Mercieca).
 American Golden-Plover: Migrant in coastal Texas (A. Mercieca).
 Pacific Golden-Plover: Adult in Hawaii (A. Mercieca).
 Snowy Plover: Incubating adult at Border Field State Park (A. Mercieca).
 Wilson's Plover: Adult in coastal Texas (A. Mercieca).
 Semipalmated Plover: Adult in Alaska (A. Mercieca).
 Killdeer: Incubating adult at Proctor Valley (A. Mercieca).
 Mountain Plover: In Imperial Valley, Imperial Co. (K. Z. Kurland).
 American Oystercatcher: Pair in Baja California (K. W. Fink).
 Black Oystercatcher: At La Jolla (A. Mercieca).
 Black-necked Stilt: Incubating adult near Susanville, Lassen Co. (A. Mercieca).
 American Avocet: Incubating adult at Bear River, Utah (A. Mercieca).
 Greater Yellowlegs: In winter plumage at Mission Bay (A. Mercieca).
 Lesser Yellowlegs: In Montana (A. Mercieca).
 Spotted Redshank: Captive in winter plumage at San Diego Zoo (A. Mercieca).
 Solitary Sandpiper: In Texas (A. Mercieca).
 Willet: In winter plumage at Mission Bay (A. Mercieca).
 Wandering Tattler: In winter plumage at La Jolla (A. Mercieca).
 Spotted Sandpiper: In winter plumage at La Jolla (A. Mercieca).
 Upland Sandpiper: Immature in the Tijuana River valley, October 1999 (J. W. Schlotte).
 Whimbrel: At La Jolla (A. Mercieca).
 Long-billed Curlew: At Mission Bay (A. Mercieca).
 Bar-tailed Godwit: Immature at Coronado, November 1981 (A. Mercieca).
 Marbled Godwit: At San Diego Bay (A. Mercieca).
 Ruddy Turnstone: Fall migrants at south San Diego Bay, July 2003 (J. C. Daynes).
 Black Turnstone: In winter plumage at La Jolla (A. Mercieca).
 Surf-bird: In winter plumage at Mission Bay (A. Mercieca).
 Red Knot: In winter plumage at south San Diego Bay (A. Mercieca).
 Sanderling: In winter plumage at La Jolla (A. Mercieca).
 Semipalmated Sandpiper: Juvenile at Mono Lake (R. E. Webster).
 Western Sandpiper: Juvenile on San Diego Bay at Chula Vista (A. Mercieca).
 Least Sandpiper: In winter plumage at La Jolla (A. Mercieca).
 Baird's Sandpiper: Juvenile at Bosque del Apache, New Mexico, September 2003 (J. C. Daynes).
 Pectoral Sandpiper: Juvenile at San Clemente Island, 22 September 2002 (B. L. Sullivan).
 Dunlin: In winter plumage on San Diego Bay at Chula Vista (A. Mercieca).
 Stilt Sandpiper: In winter plumage at the Salton Sea, Imperial Co. (K. Z. Kurland).
 Buff-breasted Sandpiper: Juvenile at sod farm, Tijuana River Valley, September 2002 (A. Mercieca).
 Ruff: Adult in winter plumage on San Diego Bay at Chula Vista (A. Mercieca).
 Short-billed Dowitcher: Juvenile at Mission Bay (A. Mercieca).
 Long-billed Dowitcher: Juvenile at San Clemente Island (B. L. Sullivan).
 Wilson's Snipe: In Tijuana River valley (A. Mercieca).
 Wilson's Phalarope: Female in breeding plumage at Bear River, Utah (A. Mercieca).
 Red-necked Phalarope: Pair at Churchill, Manitoba (A. Mercieca).
 Red Phalarope: In winter plumage at south San Diego Bay (A. Mercieca).
 South Polar Skua: In Antarctica (J. R. Jehl, Jr.)
 Pomarine Jaeger: Adult in Alaska (K. W. Fink).
 Parasitic Jaeger: Adult in Alaska (K. W. Fink).
 Long-tailed Jaeger: Over Pacific Ocean off Ventura (R. E. Webster).
 Laughing Gull: Captive in winter plumage at San Diego Zoo (A. Mercieca).
 Franklin's Gull: Adult in nonbreeding plumage in Montana (A. Mercieca).
 Little Gull: Immature in captivity at Sea World, after having been captured in fishing line at Oceanside, 27 December 1981 (K. W. Fink).
 Bonaparte's Gull: Immature over Mission Bay (A. Mercieca).
 Heermann's Gull: Adult at La Jolla (A. Mercieca).
 Belcher's Gull: At the Tijuana River mouth, August 1997 (A. Mercieca).
 Black-tailed Gull: Adult in Virginia, December 1998 (B. L. Sullivan).
 Mew Gull: Winter-plumaged adult at Coronado (A. Mercieca).
 Ring-billed Gull: Winter-plumaged adult at San Diego (A. Mercieca).
 California Gull: Winter-plumaged adult at Mission Bay (A. Mercieca).
 Herring Gull: Winter plumaged adult at Mission Bay (A. Mercieca).
 Thayer's Gull: First-winter immature at Salton Sea, Imperial Co. (R. E. Webster).

- Lesser Black-backed Gull: Winter-plumaged adult at Oceanside, February 1996 (J. W. Schlotte).
- Yellow-footed Gull: Adult at Otay dump, February 1981 (R. E. Webster).
- Western Gull: Adult and fledglings at La Jolla (J. C. Daynes).
- Glaucous-winged Gull: First-winter immature at Mission Bay (A. Mercieca).
- Glaucous Gull: First-winter immature at Otay dump (with immature Western Gull; R. E. Webster).
- Sabine's Gull: Adult in breeding plumage at Del Mar (R. E. Webster).
- Black-legged Kittiwake: Immature at La Jolla (K. W. Fink).
- Gull-billed Tern: Adult at south San Diego Bay, July 2003 (J. C. Daynes).
- Caspian Tern: Adults and chick at salt works, south San Diego Bay (A. Mercieca).
- Royal Tern: Incubating adult at salt works, south San Diego Bay, May 2003 (J. C. Daynes).
- Elegant Tern: Adults and chick at salt works, south San Diego Bay, May 2003 (J. C. Daynes).
- Sandwich Tern: Adult in breeding plumage in coastal Texas (A. Mercieca).
- Common Tern: Immature on San Diego Bay, August 2003 (J. C. Daynes).
- Arctic Tern: Adult at Churchill, Manitoba (A. Mercieca).
- Forster's Tern: Incubating adult at salt works, south San Diego Bay (A. Mercieca).
- Least Tern: Incubating adult at Naval Amphibious Base, Coronado (A. Mercieca).
- Sooty Tern: Courting pair at Santa Margarita River mouth, 7 July 1996 (B. Foster).
- Black Tern: Winter-plumaged adult in Montana (A. Mercieca).
- Black Skimmer: Incubating adult at salt works, south San Diego Bay (A. Mercieca).
- Common Murre: In winter plumage off San Diego (R. E. Webster).
- Pigeon Guillemot: In Oregon (K. W. Fink).
- Xantus's Murrelet: Subspecies *S. h. scrippsi* on ocean off San Diego (R. E. Webster).
- Craver's Murrelet: At San Benito Islands, Baja California (J. R. Jehl, Jr.).
- Ancient Murrelet: On ocean off California (J. R. Jehl, Jr.).
- Cassin's Auklet: In captivity at Sea World (K. W. Fink).
- Parakeet Auklet: In breeding plumage in Alaska (K. W. Fink).
- Rhinoceros Auklet: Captive in winter plumage at Sea World (A. Mercieca).
- Horned Puffin: Captive in winter plumage at Sea World (K. W. Fink).
- Tufted Puffin: Captive in breeding plumage at Sea World (A. Mercieca).
- Rock Pigeon: At San Diego (A. Mercieca).
- Band-tailed Pigeon: At Palomar Mountain (A. Mercieca).
- Eurasian Collared Dove: In Imperial Valley, Imperial Co. (K. Z. Kurland).
- Spotted Dove: Captive in San Diego Zoo (A. Mercieca).
- White-winged Dove: At Big Bend National Park, Texas (A. Mercieca).
- Mourning Dove: Adult and nestlings at Chula Vista (A. Mercieca).
- Inca Dove: At Spring Valley, February 1997 (A. Mercieca).
- Common Ground-Dove: Near Falcon Dam, Texas (A. Mercieca).
- Ruddy Ground-Dove: Pair at Arizona-Sonora Desert Museum (A. Mercieca).
- Red-crowned Parrot: Captive at San Diego Zoo (K. W. Fink).
- Yellow-billed Cuckoo: In Texas (A. Mercieca).
- Greater Roadrunner: Incubating adult at Bonita. Site was destroyed for development before young fledged (A. Mercieca).
- Barn Owl: Adult at nest, Sycuan Indian Reservation (A. Mercieca).
- Flammulated Owl: Injured bird held in captivity for rehabilitation (A. Mercieca).
- Western Screech-Owl: In Cuyamaca Mountains (A. Mercieca).
- Great Horned Owl: Nestlings at Del Mar (A. Mercieca).
- Burrowing Owl: Family of fledglings at Bonita. Site subsequently destroyed for development (A. Mercieca).
- Spotted Owl: Adult near Wynola (A. Mercieca).
- Long-eared Owl: Adult at Tamarisk Grove Campground, Anza-Borrego Desert State Park (A. Mercieca).
- Short-eared Owl: In Montana (A. Mercieca).
- Northern Saw-whet Owl: In Montana (A. Mercieca).
- Lesser Nighthawk: Incubating adult at Lower Otay Lake (A. Mercieca).
- Common Nighthawk: Adult near Reno, Nevada (A. Mercieca).
- Common Poorwill: Adult at Descanso (A. Mercieca).
- Whip-poor-will: In Saskatchewan (A. Mercieca).
- Chimney Swift: Adult at Santa Barbara, June 1970. Originally published by P. Devillers, 1970, Chimney Swifts in coastal southern California, Calif. Birds 1:147-152. Reproduced by permission of Western Field Ornithologists.
- White-throated Swift: In Montana (A. Mercieca).
- Broad-billed Hummingbird: Male in Madera Canyon, Arizona (A. Mercieca).
- Violet-crowned Hummingbird: At the home of Frank and Betty Scheible, Carlsbad, November 1996 (A. Mercieca).
- Magnificent Hummingbird: Immature male at Kate Sessions Park, October 2003 (M. Sadowski).
- Black-chinned Hummingbird: Female at nest at Sweetwater Reservoir (A. Mercieca).
- Anna's Hummingbird: Female at nest at Chula Vista (A. Mercieca).
- Costa's Hummingbird: Female at nest, Anza-Borrego Desert State Park (A. Mercieca).
- Calliope Hummingbird: Female in Montana (A. Mercieca).
- Rufous Hummingbird: Male visiting sap wells at Lee Vining, Mono Co. (A. Mercieca).
- Allen's Hummingbird: Male at Tarzana, Los Angeles Co. (A. Mercieca).
- Belted Kingfisher: Male in Manitoba (A. Mercieca).
- Lewis's Woodpecker: At Cabin Lake, Oregon (A. Mercieca).
- Acorn Woodpecker: At Cuyamaca Rancho State Park (A. Mercieca).
- Williamson's Sapsucker: Female at Paso Picacho Campground, Cuyamaca Rancho State Park (A. Mercieca).
- Yellow-bellied Sapsucker: Adult female in Texas (A. Mercieca).
- Red-naped Sapsucker: Male at Paso Picacho Campground, Cuyamaca Rancho State Park (A. Mercieca).
- Red-breasted Sapsucker: At Paso Picacho Campground, Cuyamaca Rancho State Park (A. Mercieca).
- Ladder-backed Woodpecker: Male at Green River, Arizona (A. Mercieca).
- Nuttall's Woodpecker: Male at nest hole at Poway, May 2003 (J. C. Daynes).
- Downy Woodpecker: Female at Poway, July 2003 (J. C. Daynes).
- Hairy Woodpecker: Male at nest at Yuba Pass, Sierra Co. (A. Mercieca).
- White-headed Woodpecker: Male at Cabin Lake, Oregon (A. Mercieca).
- Northern Flicker: Male at Cabin Lake, Oregon (A. Mercieca).
- Olive-sided Flycatcher: In Santa Rosa Mountains, Riverside Co., June 2003 (J. C. Daynes).
- Western Wood-Pewee: Adult at nest at Pine Valley (A. Mercieca).
- Yellow-bellied Flycatcher: Juvenile at Fort Rosecrans Cemetery, Point Loma, 29 September 2003 (M. Sadowski).

- Willow Flycatcher: Adult and nestlings along the upper San Luis Rey River (A. Mercieca).
- Least Flycatcher: Adult in Manitoa (A. Mercieca).
- Hammond's Flycatcher: At Bonita (A. Mercieca).
- Gray Flycatcher: Adult at nest at Cabin Lake, Oregon (A. Mercieca).
- Dusky Flycatcher: Adult at nest in Sierra Nevada (A. Mercieca).
- Western or Pacific-slope Flycatcher: At Poway, March 2002 (J. C. Daynes).
- Black Phoebe: Adult and nestlings at San Pasqual (A. Mercieca).
- Eastern Phoebe: At San Jacinto Wildlife Area, Riverside Co., 5 January 2003 (D. Furseth).
- Say's Phoebe: At Chula Vista (A. Mercieca).
- Vermilion Flycatcher: Adult male along the Verde River, Arizona (A. Mercieca).
- Dusky-capped or Olivaceous Flycatcher: In Cave Creek Canyon, Arizona (A. Mercieca).
- Ash-throated Flycatcher: In Santa Rosa Mountains, Riverside Co., May 2003 (J. C. Daynes).
- Great Crested Flycatcher: At Padre Island, Texas (A. Mercieca).
- Brown-crested or Wied's Crested Flycatcher: In Guadalupe Canyon, Arizona/New Mexico (A. Mercieca).
- Sulphur-bellied Flycatcher: At El Descanso, Baja California, October 2002—a first for Baja California; see *N. Am. Birds* 57:121 (B. L. Sullivan).
- Tropical Kingbird: In Costa Rica (A. Mercieca).
- Cassin's Kingbird: Adult and nestlings at Lower Otay Lake (A. Mercieca).
- Thick-billed Kingbird: At Bonita, 26 December 1966 (J. M. Sheppard).
- Western Kingbird: At Lower Otay Lake (A. Mercieca).
- Eastern Kingbird: In Montana (A. Mercieca).
- Scissor-tailed Flycatcher: In Texas (A. Mercieca).
- Loggerhead Shrike: Adult and nestlings in Proctor Valley (A. Mercieca).
- White-eyed Vireo: Along Sweetwater River above Sweetwater Reservoir, July 2000 (A. Mercieca).
- Bell's Vireo: Adult and nestlings along Sweetwater River above Sweetwater Reservoir (A. Mercieca).
- Gray Vireo: On ridge east of Buckman Springs (A. Mercieca).
- Yellow-throated Vireo: On Padre Island, Texas (A. Mercieca).
- Plumbeous Vireo: In Cave Creek Canyon, Arizona (A. Mercieca).
- Cassin's Vireo: In Santa Rosa Mountains, Riverside Co., August 2004 (J. C. Daynes).
- Blue-headed Vireo: On Padre Island, Texas (A. Mercieca).
- Hutton's Vireo: Adult and fledgling at Sweetwater Reservoir (A. Mercieca).
- Warbling Vireo: At Bonita (A. Mercieca).
- Philadelphia Vireo: At Padre Island, Texas (A. Mercieca).
- Red-eyed Vireo: At Padre Island, Texas (A. Mercieca).
- Yellow-green Vireo: At Point Reyes National Seashore, Marin Co., September 1988 (P. LaTourrette).
- Steller's Jay: Adult and nestling near Agua Dulce Campground, Laguna Mts. (A. Mercieca).
- Western Scrub-Jay: At Chula Vista (A. Mercieca).
- Pinyon Jay: At Cabin Lake, Oregon (A. Mercieca).
- Clark's Nutcracker: At Crater Lake, Oregon (A. Mercieca).
- American Crow: At Wild Animal Park (A. Mercieca).
- Common Raven: At Ramona (A. Mercieca).
- Horned Lark: Adult and nestlings at Lower Otay Lake (A. Mercieca).
- Purple Martin: Female at San Benito, Texas (A. Mercieca).
- Tree Swallow: At Lee Vining, Mono Co. (A. Mercieca).
- Violet-green Swallow: At Lee Vining, Mono Co. (A. Mercieca).
- Northern Rough-winged Swallow: Adult at nest hole, El Capitan Reservoir (A. Mercieca).
- Bank Swallow: In Alaska (A. Mercieca).
- Cliff Swallow: At Chula Vista (A. Mercieca).
- Barn Swallow: Recently fledged juvenile at south San Diego Bay, June 2003 (J. C. Daynes).
- Mountain Chickadee: At Paso Picacho Campground, Cuyamaca Rancho State Park (A. Mercieca).
- Oak Titmouse: In Laguna Mts. (A. Mercieca).
- Verdin: Adult and nestlings in Indian Gorge, Anza-Borrego Desert State Park (A. Mercieca).
- Bushtit: Female at nest, Lower Otay Lake (A. Mercieca).
- Red-breasted Nuthatch: In Ontario, Canada (A. Mercieca).
- White-breasted Nuthatch: Male at Paso Picacho Campground, Cuyamaca Rancho State Park (A. Mercieca).
- Pygmy Nuthatch: At Mt. Pinos, Ventura Co. (A. Mercieca).
- Brown Creeper: At Lee Vining, Mono Co. (A. Mercieca).
- Cactus Wren: Adult and nestlings at Bonita (A. Mercieca).
- Rock Wren: In Anza-Borrego Desert State Park, March 2003 (J. C. Daynes).
- Canyon Wren: In Sierra San Francisco, Baja California Sur (S. I. Bond).
- Bewick's Wren: Adult at Poway, June 2003 (J. C. Daynes).
- House Wren: Adult at nest hole, Sierra Nevada (A. Mercieca).
- Winter Wren: At Point Loma, 19 October 1967 (A. M. Craig).
- Marsh Wren: Winter visitor of subspecies *Cistothorus palustris plesius* at Tijuana River estuary (A. Mercieca).
- American Dipper: Along Lee Vining Creek, Mono Co. (A. Mercieca).
- Golden-crowned Kinglet: In Tijuana River valley (S. Streit).
- Ruby-crowned Kinglet: Male at Paso Picacho Campground, Cuyamaca Rancho State Park (A. Mercieca).
- Blue-gray Gnatcatcher: Adult female and nestlings at Spring Valley (A. Mercieca).
- California Gnatcatcher: Adult female and nestlings at Spring Valley (A. Mercieca).
- Black-tailed Gnatcatcher: Adult female and nestlings in Indian Gorge, Anza-Borrego Desert State Park (A. Mercieca).
- Western Bluebird: Male at Wynola (A. Mercieca).
- Mountain Bluebird: Male at Lee Vining (A. Mercieca).
- Townsend's Solitaire: Adult in Santa Rosa Mountains, Riverside Co., June 2003 (J. C. Daynes).
- Gray-cheeked Thrush: On Padre Island, Texas (A. Mercieca).
- Swainson's Thrush: Migrant at Cabrillo National Monument, Point Loma (A. Mercieca).
- Hermit Thrush: Winter visitor at Paso Picacho Campground, Cuyamaca Rancho State Park (A. Mercieca).
- Wood Thrush: On Padre Island, Texas (A. Mercieca).
- American Robin: Female at Cabin Lake, Oregon (A. Mercieca).
- Varied Thrush: At Fort Rosecrans Cemetery, Point Loma, 23 November 2002 (D. Furseth).
- Wrentit: Adult and nestlings at Bonita (A. Mercieca).
- Gray Catbird: On Padre Island, Texas (A. Mercieca).
- Northern Mockingbird: Adults and nestlings at Bonita (A. Mercieca).
- Sage Thrasher: Near Littlefield, Arizona (A. Mercieca).
- Brown Thrasher: In Pawnee National Grassland, Colorado (A. Mercieca).
- Bendire's Thrasher: Near Tucson, Arizona (A. Mercieca).
- Curve-billed Thrasher: Near Tucson, Arizona (A. Mercieca).
- California Thrasher: Adult at nest, Bonita (A. Mercieca).
- Le Conte's Thrasher: At Mesquite Spring, Death Valley (J. Oldenettel).
- European Starling: At Chula Vista (A. Mercieca).
- Red-throated Pipit: At San Clemente Island, 1 October 2002 (B. L. Sullivan).
- American Pipit: In Tijuana River valley (A. Mercieca).
- Sprague's Pipit: In Tijuana River valley, 19 October 1974 (J. S. Luther).
- Cedar Waxwing: At Chula Vista (A. Mercieca).
- Phainopepla: Adult female and nestlings in Indian Gorge, Anza-Borrego Desert State Park (A. Mercieca).

- Blue-winged Warbler: On Padre Island, Texas (A. Mercieca).
 Golden-winged Warbler: On Padre Island, Texas (A. Mercieca).
 Tennessee Warbler: On Padre Island, Texas (A. Mercieca).
 Orange-crowned Warbler: Subspecies *lutescens* at Chula Vista (A. Mercieca).
 Nashville Warbler: At Cabrillo National Monument, Point Loma (A. Mercieca).
 Virginia's Warbler: At Guadalupe Canyon, Arizona (A. Mercieca).
 Lucy's Warbler: At Guadalupe Canyon, Arizona (A. Mercieca).
 Northern Parula: At Padre Island, Texas (A. Mercieca).
 Yellow Warbler: Male in spring migration at Chula Vista (A. Mercieca).
 Chestnut-sided Warbler: Immature Female in Little Italy area of downtown San Diego, December 2003 (M. Sadowski).
 Magnolia Warbler: Male at Padre Island, Texas (A. Mercieca).
 Cape May Warbler: Female at San Clemente Island, 20 October 2001 (B. L. Sullivan).
 Black-throated Blue Warbler: Male at Point Pelee, Ontario (A. Mercieca).
 Yellow-rumped Warbler: At Chula Vista (A. Mercieca).
 Black-throated Gray Warbler: Female and nestlings at Yuba Pass, Sierra Co. (A. Mercieca).
 Black-throated Green Warbler: Female at Point Pelee, Ontario (A. Mercieca).
 Townsend's Warbler: Female at Chula Vista (A. Mercieca).
 Hermit Warbler: At Cabrillo National Monument, Point Loma (A. Mercieca).
 Blackburnian Warbler: At San Clemente Island, October 2003 (B. L. Sullivan).
 Pine Warbler: Male in Louisiana (A. Mercieca).
 Prairie Warbler: Male on Padre Island, Texas (A. Mercieca).
 Palm Warbler: At San Clemente Island, 24 October 2002 (B. L. Sullivan).
 Bay-breasted Warbler: Male on Padre Island, Texas (A. Mercieca).
 Blackpoll Warbler: Immature in Alaska (A. Mercieca).
 Cerulean Warbler: Male on Padre Island, Texas (A. Mercieca).
 Black-and-white Warbler: Female on Padre Island, Texas (A. Mercieca).
 American Redstart: Female at Point Pelee, Ontario (A. Mercieca).
 Prothonotary Warbler: At Laguna Atascosa, Texas (A. Mercieca).
 Worm-eating Warbler: At Laguna Atascosa, Texas (A. Mercieca).
 Ovenbird: At Padre Island, Texas (A. Mercieca).
 Northern Waterthrush: At Laguna Atascosa, Texas (A. Mercieca).
 Louisiana Waterthrush: Near the Salk Institute, La Jolla, February 1990 (A. Mercieca).
